The Respondent completely disregarded the law and provided no information.

III. Thereafter, the appellant filed the First Appeal dated 09.07.2022 under section 19 of the RTI Act to the First Appellate authority of the respondent. The Appellate authority pervasively and arbitrary wrongfully denied the information the applicant/petitioner on the ground of section 7(9) of the RTI Act which says "an information shall ordinarily be provided in the form in which it is sought unless it would disproportionately divert the resources of the public authority or would be detrimental to the safety or preservation of the record in question". Copy of the First Appeal and the respondent's reply is attached herewith as **ANNEXURE-II(colly)**.

IV. The impugned order was passed and the respondent is arbitrary and wrongful as it goes against the purpose of the Act i.e transparency and accountability in the working of every public authority. In order to bolster the argument, the appellant would like to refer to the case name **Mukesh Singhal vs. CPIO, RBI [2017 SCC Online CIC 1488]** in which the hon'ble information commission held "that respondent that Section 7(9) cannot be invoked to deny the information, but it only casts a positive duty on the authorities to provide the information in the very form it is sought". It is pertinent to note that the information sought by the appellant would not disproportionately divert the resources of the concerned public authority or would be detrimental to the safety or preservation of the record in question.

6. Aggrieved by the aforesaid egregious illegalities, the petitioner/appellant was constrained to approach this hon'ble Commission to provide the petitioner following reliefs/prayer:

I. Kindly allow the applicant to inspect the relevant records in respondent custody as an alternative mode of access and make arrangements for giving applicant copies free of cost as per Section 7(6) of the RTI Act, which applicant identify during the inspection.

II. Kindly impose penalty on the respondent authority for malafidely denying the information.

III. Kindly pass any order as this Hon'ble Commission may deem fit and proper on the facts and circumstances of the case and in the interest of justice.

I Krishna Sharma solemnly states that the contents of paragraph 1 to 6 in this appeal are true to the best of my knowledge and belief and that it conceals nothing and that no part of it is false. I also state that I have not filed any appeal in the past with respect of this subject.

First Appellate Authority

Punjab Prison Headquarters,

Sector-17, Chandigarh,

Punjab-160017

SUBJECT - First appeal under section 19(1) of the Right to Information Act, 2005.

1. That, I Krishna Sharma, a citizen of India, would like to make the first appeal under Section 19(1) of the RTI Act 2005. I had applied to the Public Information officer (PIO), Office of the Punjab Prison Headquarter, Government of Punjab, for information regarding the number of juveniles transferred from all district and central jails in Punjab to juvenile homes in Punjab between 2016-2021 and the number of visits made by juvenile justice board in all district and central jails in Punjab between 2016 and 2021, under the RTI Act 2005, with an application dated 17.11.2022. The application was accompanied by an RTI fee of Rs 10/- vide. postal order no. 57F 437609 as payment for the application fee.

2. The RTI application was sent by speed post vide Speed Post Receipt No: ED244476519IN dated 17.11.2022. A copy of the said application, proof of fee payment and receipt for speed post is attached herewith as ANNEXURE – 1. (Colly)

GROUNDS FOR FIRST APPEAL:

1. No Response - As per Section 7(1) of the RTI Act 2005, the PIO was to give the requested information within 30 days of the application, that is before 17.12.2022. Since no replies have been received from any districts under the Prison Headquarters to my RTI Application as per Section 7(1), the first appeal is being made under Section 19(1) of the RTI Act 2005.

PRAYERS:

1. Kindly instruct the PIO, in writing, to give complete information as requested in my above-mentioned RTI application.

2. Kindly issue a written warning to the PIO, under the present Rules and Regulations of Service, instructing him that he/she should adhere to the time limits specified in the RTI Act 2005 as well as respect the RTI Act in its letter and spirit.

3. As per Sec 19(5) of the RTI Act 2005, during the appeal proceedings, the PIO should be asked to explain his/her "deemed" denial of a request for information, since the onus to prove that the denial of a request was justified, is on the PIO.

4. As per Sec 7(6) of the RTI Act, the PIO should now provide me with the information "free of charge" since the provision of information has been delayed beyond the mandated 30 days as provided in Sec 7(1) of the RTI Act.

Thank you,

Krishna Sharma 26/12/22

Subject - First appeal under section 19(1) of the Right to Information Act, 2005.

Respected Sir/Madam,

1. I, Krishna Sharma, a citizen of India, filing a first appeal under Section 19(1) of the Right to Information (hereinafter referred as RTI) Act, 2005. The applicant is aggrieved by the no response from the concerned authority on the sought information.

The said information was asked under the RTI Act 2005, with an application dated 06/03/23. The application was accompanied by a RTI fee of Rs 10/- vide. postal order no - 57F 437683 as payment for application fees.
3. However, the applicant received no response from the authority in this case. Therefore, there is no copy of the order attached.

Since, **NO REPLY** has been received from the SPIO, office of the Director General, Jail and Correctional Services, M.P. to the applicant's RTI

Application. Therefore, aggrieved by the same, the applicant files the first Appeal under Section 19(1) of the RTI Act 2005.

MY PRAYERS IN THIS FIRST APPEAL:

Sir,

In reference to your RTI application dated 06.05.2022, the reply as received from Legal Aid Wing, DSLSA, Central Office, Patiala House Courts, New Delhi is as under:

Query No. 1:

As per the direction of Hon'ble Delhi High Court in W.P (C) 8889/2011 dated 11.05.2012, please provide the details in the given format about visits made to jails by legal aid lawyers to identify the probable juveniles to various jails of Delhi between 1st January, 2016 to 31st December, 2021?

Reply:

Vide order dated 11.05.2012 passed by Hon'ble High Court of Delhi in WP(C) No. 8889/2011, titled "Court on its own motion vs. Department of Women and Child Development and Ors.", Hon'ble High Court had directed the National Commission for Protection of Child Rights (NCPCR) to constitute a panel of at least 10 persons to make visits to various jails in Delhi in order to find out if there are any persons lodged in such jails who should have been the beneficiaries of the Juvenile Justice Act (JJA). In view of directions of Hon'ble High Court, visits are being made by NCPCR only. However, reports of such visits along with the list of probable juveniles were directed to be forwarded to the Member Secretary of Delhi State Legal Services Authority, Jail Authorities and the JJBs concerned for further action. The said lists are being received at DSLSA from NCPCR. On receipt of the same, details are being forwarded to the ld. Principal District and Sessions Judges of the respective Districts as also to the concerned DLSAs, with directions to the concerned Secretaries, DLSAs to get appropriate applications for age determination moved through Legal Aid Counsels before the concerned Courts.

Even the Jail Visiting Advocates of DSLSA, are regularly interacting with the jail inmates to ascertain whether any juvenile is wrongly incarcerated in an adult jail. In case such a case comes to the knowledge of the Jail Visiting Advocate, he/ she informs the concerned Secretary,

DLSA and appropriate application for age determination is moved expeditiously before the concerned Court.

Although, no separate record of such Jail Visits are maintained, however data as sought in the format, excluding the Jail no., is annexed herewith as Annexure 'A'.

Even Secretaries of DLSAs make periodic visits to the Jails and interact with the inmates. During course of interaction, if any such case comes to their knowledge, an application for age determination is moved expeditiously through an LAC.

Query No. 2:

What are the steps taken up by DSLSA to identify the probable juveniles in various jails of Delhi?

Reply:

Same as above.

Query No. 3:

What is the process of identification of juveniles in Jail followed by a DSLSA lawyer?

Reply:

Same as above.

As per Section 19 of the Right to Information Act – 2005, if you are not satisfied with the reply, you can file an appeal within thirty days from issue of this order to the First Appellate Authority whose address is given below:-
